

112. The Happy Land

"...it shall be said in that day, Lo, this is our God; we have waited for him, and he will save us..." Isa. 25:9

1. Would you reach that heaven-ly land,
 2. There with - in that hap - py land, Hal - le - lu - jah, A - men!
 3. Ours shall be that hap - py land,

Where the saints in glo - ry stand,
 We shall walk the gold - en strand, Hal - le - lu - jah, A - men!
 Guard - ed by our Fa - ther's hand,

Would you with them sweet - ly sing Prais - es to the Sav - ior King,
 Strive if you would en - ter in, There a crown of glo - ry win,
 When from sin and sor - row free, We shall our dear Sav - ior see,

While the heaven-ly song shall ring?
 And a man-sion have with - in, Hal - le - lu - jah, A - men!
 And for - ev - er hap - py be,
